Hiring School Administrators

The Board of Education will appoint qualified persons to all administrative positions in the School System, based on recommendations made by the Superintendent.

The appointment of all administrators is valid only when made in such a manner, and the Superintendent will submit his/her recommendations to the Board in writing if so requested. The Board will accept or reject the Superintendent's recommendation at a regular or special Board meeting. If the Board should reject the Superintendent's nomination, she/he will make another recommendation to the Board within a month, or as soon as practical.

The Superintendent will be responsible for the posting of positions, recruitment and screening of candidates, and to bring at least two finalists, when possible, including the recommended candidate, to the Board, as indicated previously.

At the time of deciding to fill a vacant administrative position, the Board will determine whether the full Board, a committee of the Board or appropriate administrators will interview finalists for the position.
