We appreciate and expend with great care the resources the town allocates to enable us to provide high quality instruction and experiences for the student population. We are extremely proud of the sustained excellence of the school system that is the pride of the Town of East Granby. Each year we endeavor to accelerate our momentum to institutionalize 21st century authentic educational experiences that will be attractive to aspiring learners and new residents. We are thankful for the support of the community and the trust in our school district to make responsible financial decisions while providing an excellent education to our students.

We invite you to join the conversation to secure an appropriate level of funding so the East Granby Public Schools can continue to provide learning experiences of superior quality. The high performing East Granby Public Schools are the cornerstone of East Granby.
